

SHOW YOUR BARON PRIDE

The Booster Club is offering a way for you to show support for your player. You can order a yard sign, car decal or magnet, and a locker banner. The locker banners are magnetic and will adhere to their school locker. You can personalize the item by having your player's number put on the items.

These items need to pre-ordered, because they are custom made just for you.

Please fill out the form and make **checks payable to:**
